

Semester/Year Abroad: Academic, Disciplinary and Financial Waiver (Signature Document in Terra Dotta)

I certify that the information submitted on this application is correct. I agree to be subject to the academic and financial policies of the Center for International Programs (CIP) at Saint Joseph's University including those stated in materials describing programs and all pre-departure and orientation materials.

I authorize the CIP office to obtain and release my transcript and other records to the program(s) for which I am applying. Subsequent transcripts may be requested by the CIP office and forwarded overseas if my application is subject to a conditional acceptance. I authorize Saint Joseph's University CIP staff to have access to my educational records, disciplinary records and all information contained in those records maintained by Saint Joseph's University or any other educational institution that I have attended. I authorize CIP staff to share such records and information with staff members affiliated with the study abroad program(s) to which I am applying.

If a student loses good academic or disciplinary standing after being approved, the student will have their approvals revoked and will be responsible for any non-recoverable financial commitments Saint Joseph's University has made on their behalf. It is the **student's responsibility** to immediately inform the Center for International Programs of any changes regarding their academic and disciplinary standing. CIP will also be receiving periodic notification from Saint Joseph's University Community Standards regarding changes in a student's disciplinary standing.

I understand additional forms related to my participation in a study abroad program will need to be completed and returned to the CIP office in a timely fashion. However, I also understand that submitting an application by the suggested deadline date does not guarantee my acceptance or the availability of a program. Furthermore, I understand that approval by Saint Joseph's University does not guarantee acceptance into the overseas program or foreign university to which I am applying. Students are responsible for understanding and meeting the regulations, requirements, and deadlines specific to the program of their choice.

If I withdraw from the program before paying my tuition and fees, I acknowledge the University's right to bill me for any financial commitments made on my behalf to the University and/or any third party and I agree that I am financially responsible for such costs incurred.

Saint Joseph's University reserves the right to change, cancel or alter any provision of its programs, as it deems necessary.
